

Chinese most comprehensive manufacturer of copper based alloy bronze and brass fasteners, wood screws, machine screws, bolts, studs, nuts, nails, stamping, machining parts, etc.

These silicon bronze items are Yushung's regular manufacturing items. Some items are in stock. Please feel free to contact us if you don't find the items you need.

**Notes:**

- \*C65100 / C65500 silicon bronze fasteners are excellent for use in many marine and commercial applications.
- \*Used where a stainless steel fasteners might not meet the applications, or a dissimilar metal is required.
- \*Made from Cu with Si, Mn, Zn, Ni added for strength.
- \*Silicon bronze is known as a high-strength material with several important factors, including high conductivity, excellent corrosion resistance to brines, gases and sulphites.
