

Import and Export of Top 46 Taiwanese Fastener Companies During 2012-2014

compiled by Tanya Shih, Fastener World Inc.

The table below is compiled from the import/export data of Taiwanese fastener companies provided by the Small and Medium Enterprise Administration of Ministry of Economic Affairs of Taiwan. The figures reflect the actual trading values exported from Taiwan, but exclude the values of products sold worldwide via their overseas manufacturing bases; therefore, the given figures may not completely represent the actual revenues of respective companies.

In 2012, 38 Taiwanese fastener-related companies reached USD 22 million in both their import and export values, and their total export value amounted to USD 1,720.21 million. In 2013, 41 companies (3 more companies were included) reached USD 22 million in both their import and export values, and their total export value amounted to USD 1,774.19 million. In 2014, 46 companies (7 of which were new entrants) reached USD 22 million in both their import and export values, and their total export value amounted to USD 2,060.44 million. It shows a growth trend every year.
